The Classic Band for Apple Watch is our original creation, a piece of art made with the finest full-grain Italian leathers available. These steer hides have been soft tumbled in Victorio's legendary tannery to bring out their supple softness. Not too thick and not too stiff, but plenty durable especially when paired with the same UV resistant stitching that is used in sailboat sails. Available with black or nickel finish hardware in 4 different color choices for both the 38 and 42mm Apple Watch Series 1 & 2 there's a band here for everybody. Price: \$99.95

All Pad & Quill bands are handmade with the highest quality natural materials as well as pride and extreme attention to detail by leather craftsman and artisans with generations of experience. Each band is hand-signed by the artisan who made it.
