

## MacX DVD Largest Christmas Giveaway: Free Apps for DVD Copy & Data Backup

Published on 12/14/16

MacX DVD announces their official 2016 Christmas giveaway. The giveaway includes MacX MediaTrans, an easy solution to manage files on iPhone, iPad and iPod. MacX iPhone DVD Ripper, a dominator in DVD backup which offers flexible organization and makes protected discs. MacX DVD also works with top vendors giving away DoYourData Super Eraser for Mac and Mac Backup Guru. The activity will last for 25 days, beginning on Dec 12 all the way through Christmas and New Year.

Chengdu, China - MacX DVD announces an official start of 2016 Christmas giveaway, valid through Jan 5, 2017. It allegedly not only sponsors free licensed copies of its famous file transfer and iPhone DVD ripper, but also extends its reach to data eraser and Mac backup software that can be downloaded on macOS without paying, by courtesy of the software vendors DoYourData and MacDaddy.

The activity will last for 25 days, beginning on Dec 12 all the way through Christmas and New Year. Ahead of the Jan 5, 2017 deadline, customers worldwide can get these gifts freely at MacX DVD official Christmas Giveaway page.

Christmas just isn't the same without classic TV specials, movies, songs and photos. There are occasions when people need to have their DVDs digitized and streamed to smart TV for watching with their family on Christmas night; perhaps some just want to a way to share the recordings with friends on iPad, or store the cherished moments they shot during a Christmas party on computer...

"To that end, we launch the giveaway alliance that has shifted the holiday promotion into an all-sided content-rich holiday entertainment solution." Said Jack, CEO of MacX DVD Software. "These free gifts are selected on a customer-oriented basis, addressed to enrich their video library on iPhone iPad in a way more secure, without any data erasing, losing or mobile storage woes.

Check the details of the Christmas Giveaway Gifts:

\* MacX MediaTrans: An easy solution to manage files on iPhone (7/7 Plus), iPad and iPod. Since its debut on July 2016, the data transfer software has received over 10 million active users. Now it extends the reach to iOS 9 and iOS 10 users in need of freeing up iDevice's space, backing up files and building manageable data. It commits itself to helping users copy and transfer photos, videos, music, ringtones, Voice Memos, eBooks, etc between iProducts and Mac.

To customers' greatest surprise, its full version with flexible license types for 1 Mac, 2 Macs and 6 Macs is available for a 50% off discount. Explicitly, users will get full version at \$19.95, \$29.95 and \$49.95, respectively, and enjoy lifetime upgrade privilege that the giveaway version won't provide.

\* MacX iPhone DVD Ripper: A dominator in DVD backup, which makes discs well protected, organized, and played in a way more flexible. Users can rip both homemade and commercial DVDs to MOV MP4 and others for playing on iPhone, iPad and Apple TV on the go.

\* Data Eraser and Backup Software: To facilitate customers with software gifts that are functionally complete, MacX DVD works with top vendors giving away DoYourData Super Eraser for Mac and Mac Backup Guru. The two gifts are the supplement for users to erase data, wipe unused space, clone and sync folder or disc to keep the entire system safe and stable.

MacXDVD enriches the promo with more contents, covering different holiday gift packs, DVD ripper and video converter, promising a whopping 70% off. This makes affordable to rip DVD, convert video, download holiday movies, streaming videos to iPhone iPad Android.

**Pricing and Availability:**

Altogether 4 software programs are available for free during the holiday activity sponsored by MacXDVD and two other vendors. Simply enter the official 2016 Christmas Giveaway page and input the email to get the license code. Please note that the activity is valid before Jan 5, 2017, though there isn't any quantitative limitation on the gifts.
