

## Richard Pizza's Hungry Games released by IDSI for the Christmas Holiday

Published on 12/23/16

IDSI today releases Richard Pizza's Hungry Games 1.0.9, their popular game title for iOS devices. The perfect educational game for the family, Richard Pizza's Hungry Games was developed for children 5-13 to learn about nutrition and good eating habits. Richard Pizza is hosting its first annual Hungry Games in the heart of downtown Pizza Town and needs your help! Help Pizza Boy run a race with the objective to grab as many water bottles as possible and avoid the soda cans along the way.

Centreville, Virginia - IDSI today is proud to announce the release of Richard Pizza's Hungry Games 1.0.9, their popular game title for iOS devices. The perfect educational game for families to spend hours of fun, Richard Pizza's Hungry Games was developed for children 5-13 to learn about nutrition and good eating habits. The game offers information and education for children on adults on how to eat healthy.

Richard Pizza is hosting the first annual Hungry Games in the heart of downtown Pizza Town and needs your help! Help Pizza Boy run a race with the objective to grab as many water bottles as possible and avoid the soda cans along the way. In order to boost the population and spur economic development, you can help Richard Pizza by playing games, collecting character cards, and expanding Pizza Town!

- \* Help shake the salt off the pretzel
- \* Save broccoli's from being cheesed
- \* The grapes are hungry! Quick make balanced peanut butter and jelly sandwiches
- \* Feed the bunny the foods she needs to stay healthy
- \* Avoid drinking soda and get pizza boy to the end of the race
- \* Help keep the water bottle hydrated

Collect all the Pizza Town citizens to help rebuild Pizza Town! Gain additional gems and coins (only available in the US App Store). Learn together with your family about healthy eating and nutrition by planning this fun and educational game. It's the perfect game to play over Christmas and the holidays:
