

The Shadow of Devilwood 1.0 for iOS/Android - Adventure Game

Published on 02/06/17

Windmill Games Studio today introduces The Shadow of Devilwood 1.0, an eerie free-to-play adventure game for iOS and Android devices. The Shadow of Devilwood is all about the king dwarf ancient crown, hidden in the dungeons. In this puzzle-solving game, players must take on the role of detective Linwood to find all the clues that lead to the missing Olson as well as to the crown. This mysterious journey unfolds the mystery behind the missing Olson.

Rawalpindi, Pakistan - Windmill Games Studio is pleased to announce the release of The Shadow of Devilwood 1.0, an eerie free-to-play puzzle-solving adventure game for iOS and Android devices. The Shadow of Devilwood is all about the king dwarf ancient crown, hidden in the dungeons. Players must find the missing girl, Beatrice Olson, the beloved of detective Linwood. Beatrice went for a quest to find the ancient crown in the Devil-wood Jungle but didn't come back.

Because of this crown, there are black powers in the jungle. There is also a wizard to prevent those powers and their curse from spreading all over the jungle. But he can't finish those black powers forever. The wizard also knows that how to achieve that crown but being a wizard, he can't achieve the crown by himself. So Olson went to find the crown but he is now missing somewhere in the jungle.

So Now, detective Linwood goes to this mysterious journey to unfold the mystery behind the missing Olson. He has to face different challenges like, adventures, puzzles, riddles and sometime hidden objects. The game has the quality of all casual genres in one place. The player takes the role of that detective. He or she will have to find all the clues that lead to the missing Olson as well as to the crown. Reaching to the Olson house is the first thing to do.
