

All in One - ToDo, Smart Calculator, Notes & Vault for iOS

Published on 03/07/17

Dubai based indie developer, Nada Fahim today introduces All in One - ToDo, Smart Calculator, Notes & Vault 1.0, a new productivity app for iPhone, iPad and iPod touch devices. Take total control of your life and your personal information with All-in-One, the ultimate app that features to-do, smart calculator, notes and vault. With all of these versatile features your professional and personal life will be completely managed with one safe and highly functional productivity and security app.

Dubai, United Arab Emirates - Nada Fahim today is pleased to announce the release and immediate availability of All in One - ToDo, Smart Calculator, Notes & Vault 1.0, a new productivity app for iPhone, iPad and iPod touch devices. Take total control of your life and your personal information with All-in-One, the ultimate app that features to-do, smart calculator, notes and vault. With all of these versatile features your professional and personal life will be completely managed with one safe and highly functional productivity and security app.

To-Do:

Make use of the simple to-do feature. Simply add all important events in your life with a simple calendar. Enter the name and the time for a certain event and you will always have information about your important events.

Note Taking:

This neat all-in-one app enables taking notes with few simple taps. Write down the important ideas and things to remember. The app will also keep all of the notes in one place, making them more accessible and great reminders for any businessman.

Keep Your Important Data In A Vault:

Being the complete plan and management app for better productivity also includes security features. Use the Vault feature to store your passwords, emails, digital wallets info and much more.

Use Smart Scientific Calculator On The Go:

Use smart scientific calculator features on the go. Calculate even the most complicated operations within the app. No need for external calculators that don't do the job, you have everything you need in All-in-One.

All-in-One Handy App features:

- * 2do and planning
- * Take and store notes
- * Keep passwords, secrets, email accounts and wallet accounts in a data vault
- * Smart calculator with all important operations
- * All in one business app

Having a note taking, to do list, a calculator app, accompanied with great features is now possible with All-in-One Handy App. Get it for now and we are sure it will become the only productivity app you will use. Take control and improve your life with one simple and intuitive app.

Device Requirements:

- * iPhone, iPad, and iPod touch
- * Requires iOS 8.2 or later
- * 93.6 MB
