

## **AsterDroids released for all Mobile Devices - Gorgeous 3D Space Shooter**

Published on 04/06/17

Utah based Skapp Enterprises today introduces AsterDroids 0.2.7, its new 3D space shooter developed for all mobile devices. AsterDroids provides mobile gamers with classic game play brought up-to-date with stunning 3D graphics, beautifully controlled free roaming space flight, and a gorgeous virtual Solar System. In typical doomsday fashion, players blast away all the 3D Droids and Asteroids controlled by aliens, to save the planet.

Sandy, Utah - Skapp Enterprises today is pleased to introduce AsterDroids, its new 3D Space Shooter developed for all mobile devices. For mobile gamers who want to pilot a spaceship around our Solar System and visit the planets, AsterDroids provides beautifully controlled free roaming 3D space flight allowing virtual ships to fly farther, fly smoother, fly faster with more bullets and missiles than ever before.

Navigate around fully animated planets and their fully animated moons. AsterDroids utilizes cutting edge 3D graphics and solar landscapes, in conjunction with fantastic accelerometer and touch screen controls offered by all platforms. Featuring a classic asteroids doomsday storyline, players must blast away Droids and Asteroids controlled by Droids that are headed towards Earth to obliterate the planet.

AsterDroids 0.2.7 provides 3 game modes, Save the Earth with multiple AsterDroid Waves, Planet Structure Blasting, and Free Practice Levels. Also offered is a very fun Augmented Reality Mode that lets players blast away asteroids while keeping an eye on the local reality. Players can select from various ships and weaponry that can be earned or bought via in-app purchases in the AsterDroids virtual store. There's a cool Auto Pilot feature that automatically navigates the players ship towards objectives.

"A while back, Atari claimed trademark infringement and demanded Apple pull Asteroids 2012 from the App Store, explained Ken Grant, founder of Sandy based SKAPP Enterprises, LLC. "Now SKAPP is back with AsterDroids! It is available right now for all mobile devices worldwide."
