

Galaxy Glider 1.0 launches on iOS - Unique One-Touch Space Game

Published on 04/25/17

Arizona based App Happy Games LLC today introduces Galaxy Glider 1.0, a uniquely addicting one-touch space game for iOS devices. Help Galaxy Lord collect as many points as possible and challenge yourself to see if you can become the greatest Galaxy Glider the universe has ever seen. Glide, fly and dodge your way through a never-ending galaxy in outer space filled with hundreds of rockets, orbs and stars. Galaxy Glider is a super addicting and simple game that is quick to play.

Peoria, Arizona - App Happy Games LLC today is proud to announce the worldwide release and immediate availability of Galaxy Glider 1.0, a uniquely addicting one-touch space game for iOS devices. Glide, fly & dodge your way through a never-ending galaxy in outer space filled with hundreds of rockets, orbs and stars. Help Galaxy Lord collect as many points as possible and challenge yourself to see if you can become the greatest Galaxy Glider the universe has ever seen!

Imagine flying high through the intergalactic skies. You are speeding from side to side, gliding and jumping off a variety of rockets, all while collecting valuable orbs. It sounds pretty easy right? Well there's a catch... you can't fall off or get struck by the powerful rockets. Receive additional points for unlocking new secret skill moves. Galaxy Glider is a super addicting and simple game that is quick to play on the go or when you only have a few minutes.

Game Features:

- * A simple, yet challenging one-touch gameplay
- * Unlock unique rockets and power-ups
- * Earn additional points by gliding on rockets
- * Play while jamming to very catchy, fun beats
- * Game Center support with Leaderboards
- * Fun for all ages

Device Requirements:

- * iPhone, iPad and iPod touch
- * Requires iOS 6.0 or Later
- * 84.7 MB

Pricing and Availability:

Galaxy Glider 1.0 is Free and available worldwide exclusively through the App Store in the Games category. For more information, please contact Edmon Shaoul.
