Barcelona, Spain - Following the success of iClassics Productions' iWilde Collection app, which contains some of the finest and most charming short works of literary master Oscar Wilde, iClassics Productions is pleased to announce the release and immediate availability of The Canterville Ghost (Oscar Wilde) Immersive Book 1.0 for iPhone, iPad and iPod touch.

Ferociously ironic and playfully bold, Oscar Wilde was the rebel of the Victorian era. Moreover, as with their other immersive reading apps, the text is available in four languages: English, Spanish, French and Portuguese, which can be changed at any moment during the reading.
