Seoul, Korea - 1Games is proud to announce the release of Wild Zombie Online 1.1, its fun-to-play animal action/adventure game developed for iOS and Android devices. Go hunt! If you don't hunt first, you will be hunted. In Wild Zombie Online, you must become a powerful and violent wild animal hunter who can beat back attacks of numerous hostile animals and to make all wild animals tremble in fear. With gigantic monsters, you must subdue and hunt wild animals who resist and come at you. You must bravely confront the attacks by strong and rough carnivores and give the fear of death to herbivores who stand up against you in a large herd.

At times, you would need to hunting together with other monster or zombie animals and participate in a major battle to hunt other wild animals. You must survive the competition with other wild animals, from carnivores such as lions, bears, and tigers to herbivores such as deer, elephants and horses. Will you be able to survive from the fight against numerous aggressive animals? Wild Zombie Online is a fresh multiplayer game for iOS platform, and a fun game to play.

The biggest feature of this game is that the character you can choose becomes different depending on the Operating System (OS) of your smartphone. In other words, users can enjoy playing the same and yet completely different games at the same time because Android and iOS users can choose different characters from each other. You can choose to play 1 character from 20 different kinds of wild animals in Wild Animals Online released through Google Play Store. On the other hand, in Wild Zombie Online that is downloadable through App Store, you can only choose a wild zombie animal who chases after and hunts the players who have chosen an animal on Wild Animals Online.

Through this, users can also enjoy fighting among wild animals or a wild animal vs. monster zombie in the game as well as a confrontation between an iPhone and Android users in reality. The players of both games play one same game while playing different games from each other at the same time, due to the limitation on character choice. Features of Wild Zombie Online include:

Differentiated, Rich Maps:

The maps are divided into Sahara, a bleak desert; Siberia, covered by snow and ice; and a savanna, a vast tropical grassland. They also consist of regular maps that have different natural environments as well as special maps such as Monster Field where to block wild animals attacks with giant zombie monster and Dragon Lava where dragons with the properties of fire, ice, and lightening. In addition, you will also have maps with various characteristics and uniqueness such as an event map where you can enter only at a certain time, PVP Zone where you can have a 1:1 battle.

Diversified Hunting Means:

You can experience hunting and attacking in oriented battles like the ability to transform into a powerful zombie monster and summoning the same kind, power attack.
