

Easy Baby Monitor App for Monitoring your Sleeping Baby

Published on 10/19/17

Virginia based Vito Technology today introduces Easy Baby Monitor 1.0.0, the company's new lifestyle app. Easy Baby Monitor turns any iOS iPhone or iPad into the perfect babysitting assistant. Created by parents for parents, Easy Baby Monitor is a video and audio application that allows you to have proper awareness of your sleeping baby from anywhere. Take any two iOS devices, choose the roles for each device (a Parent or a Child), pair them up together, and tap the Start button. That's it!

Alexandria, Virginia - Vito Technology, the award-winning developer of educational apps for Android and iOS, today is proud to announce the official release of Easy Baby Monitor 1.0.0, the company's new lifestyle app. Easy Baby Monitor turns any iOS phone(s) or tablet(s) into the perfect babysitting assistant. Easy Baby Monitor is a video and audio baby monitor to be aware of your sleeping baby from your smartphone or tablet, while you're busy with your chores. The product was created by experienced parents who know for sure what Easy Baby Monitor's most essential functionality should be. The app was tested on a newly born baby and the tests showed 100% positive results.

4 Steps to Setup:

- * Take two iOS devices (iPod, iPad, iPhone), any older model will work
- * Choose the roles for each device: a Parent or a Child
- * Pair them up together
- * Tap the button "Start" and continue using the app

2 Steps to Start Monitoring:

- * Open Easy Baby Monitor on both devices
- * Start monitoring

From the developers of famous astronomical app Star Walk, winner of the Apple Design Award 2010, loved by more than 10 million users around the world. "When my son was born I was looking for a baby monitor app and I didn't find the one that would fit my needs," said Murad Nazarialiev, Managing Director at Vito Technology, Inc. "I saw a potential for a great product and here it is. I'm willingly use it with my newly born son and hope that our users would find it great to use, too."
