"When it comes to celebrating, no time of the year compares to the last three months," comments Eric Bohnisch-Volkman, DEVONtechnologies' President. "October is the month of pumpkins, ghosts, and ghoules. November brings us colorful trees and tasty turkeys. And finally, December is the month of the months for children and adults alike. So this week we all set a day aside to come together and give thanks for all we have. Whatever your traditions are, let's stop for a moment and all take stock of how well we're all doing. At DEVONtechnologies, we are thankful for our wonderful families, for our colleagues, and our friends. For our work that we enjoy and are passionate about. And for the many encouraging comments we get from our customers. So in line with the old tradition we offer all our products at a 25% discount this weekend to say 'thank you!' Now is the best time of the year to get ready for a productive 2018,"

DEVONtechnologies' Black Friday offer starts early on Thursday, November 23rd, 6 p.m. CET (Central European Time) and ends Tuesday, November 28th at 9 a.m. CET. Note: The discount cannot be combined with other offers such as the students & educators discount.
