

New iOS App Developed For Wife Helping Woman

Published on 02/26/18

Arizona based SV Software LLC today introduces Shopping Percent Calculator 1.0, the company's new calculator app developed exclusively for iPhone devices. Shopping Percent Calculator offers a simple-to-use UI which allows shoppers to enter multiple items, adjust the savings and bonus savings amounts. The app then calculates the total dollar and savings amounts. Shopping Percent Calculator also includes a way to delete individual items so users can remove them if they are over budget.

Chandler, Arizona - SV Software LLC today is proud to announce the release and immediate availability of Shopping Percent Calculator 1.0, the company's new calculator app developed exclusively for iPhone devices. Shopping Percent Calculator offers a simple-to-use UI which allows shoppers to enter multiple items, adjust the savings and bonus savings amounts. The app then calculates the total dollar and savings amounts. Shopping Percent Calculator also includes a way to delete individual items so users can remove them if they are over budget. Also added is a social sharing function which allows the user to easily share their deals with friends on social media.

- * Enter Multiple Items
- * Calculates Totals and Savings Amounts
- * Share Deals with Friends
- * Delete Items if your are over Budget
- * Stop Doing Math in Your Head

"I happen to notice wife struggle when trying to calculate discounted sales when shopping," explained Steve Veloudos, owner of Arizona based SV Software LLC. "I knew there was a much better and convenient way to calculate shopping discounts. Our friends told us they had a similar issue and thought it was a great app idea. So my wife and I worked together to create Shopping Precent Calculator, with a focus on being very useful and easy to use. Since the app was built specifically for calculating shopping deals, we hope to help many women all over the world."

Shop and let the app do the math with the Shopping Precent Calculator iOS app.

Device Requirements:

- * iPhone 5s or later and iPod touch
- * iPad 5th generation or later
- * Requires iOS 11.1 or later
- * 8.3 MB
