Published on 03/07/18

Knag Enterprises today introduces Fashion Invite - Wardrobe List 1.0, the company's new women's fashion swipe-driven shopping app developed exclusively for iPhone, iPad and iPod touch devices. Featuring thousands of women's fashion items and displaying fashion in conjunction with fashionandinvides.com, the free Fashion Invite - Wardrobe List App invites you to swipe right to like or swipe left to skip items while easily creating a Shopping Want List.

Hoboken, New Jersey - Knag Enterprises today is proud to announce the release of Fashion Invite - Wardrobe List 1.0, the company's new women's fashion swipe-driven shopping app developed exclusively for iPhone, iPad and iPod touch devices. Featuring thousands of women's fashion items and displaying fashion in conjunction with Fashion And Invites, the free Fashion Invite - Wardrobe List App invites you to swipe right for an item you like (ACCEPT) or swipe left for an item that you don't want (DECLINE).

Swipe your way to style and create your ultimate fashion Want List with brands such as BCBCGeneration, bebe, Burberry, Calvin Klein, Christian Dior, free people, French Connection and more! Thousands of dresses, boots, bags, shoes, skirts, jeans, workout clothes, shirts, jewelry, and more! The app offers a high quality and novel shopping experience. This objective is achieved through the quality and diversity of the items along with the manner in which they are displayed. The app allows you to swipe your way to style by presenting items you might not typically have access to in a traditional shopping experience.

Features:

- * View thousands of women's fashion items - swipe right or click Accept to add an item to your shopping Want List. Swipe left or click Decline for items that don't match your style.
- * Click on pictures of displayed fashion items for additional details and to purchase OR view and purchase items directly from your Want List (top right menu).
- * View shoes, boots, dresses, pants, tops, skirts, shirts, jackets, coats, bathing suits, sunglasses, bags, jewelry, and more.
- * Share your Want List through the following buttons available at the top left menu: Email List, SMS Message List, Post to Facebook, Tweet List, View Want List, and View List Website.
- * Add and / or Delete Items from your Want List, evolving your Want List with your evolving needs;
- * New Items added daily.

User Comments:

" I love swiping through the fashion - I'm presented with items I might not see otherwise. it's so much fun, and I love keeping track of items to purchase in my Want List."

"Cool app allows you to flip through 1000s of products rapidly while skipping or adding things to a want list. Stream line shopping works well and is applied in this app!"

"I love this app. The dresses are very beautiful, and stylish. It is so easy to buy dresses from this app because you can buy them from your mobile phone. This app saves me so much time and money. I do not have to spend hours in a mall looking for a dress. Using this app makes me feel like I have a personal fashion advisor who helps me put together a beautiful wardrobe."
