

Pro Golf Challenge new game for iOS, Android, and Windows 10

Published on 03/13/18

Texas based developer, Magnin & Associates today introduces Pro Golf Challenge 1.0, their new game for iOS, Android & Windows 10. Pro Golf Challenge simulates 9 or 18 holes of golf, selecting club from golf bag, challenging holes with trees, sand traps, and water obstacles. The game offers multiple game play modes, including local single player, or multiplayer multi-platform online play. Players can optionally share accomplishments via email, instant messaging, or social media.

Farmers Branch, Texas - Magnin & Associates today introduces Pro Golf Challenge 1.0, their new game for iOS, Android, and Windows 10. Pro Golf Challenge simulates 9 or 18 holes of golf, selecting club from golf bag, challenging holes with trees, sand traps, and water obstacles. The game offers multiple game play modes, including local single player, or multiplayer multi-platform online play. Players can optionally share accomplishments via email, instant messaging, or social media.

Enjoy the convenience of being able to play a round of golf, any time you want, right on your iPhone, iPad, Android, or Windows 10 PC or Surface.

Touch the club head to select and drag it up out of your golf bag. Pivot left or right to adjust your stance and aim. Use your finger as the golf club, touching the club head and dragging it to the right to wind up, and back to the left to hit the ball. You control the distance by adjusting how far and strongly you swing.

The View Button zooms out to let you see a bird's eye view of the current hole. The Path Button lets you see the predicted path of the ball using the selected club. Your bag includes 3 woods, 7 irons, a wedge, and a putter. Automatically keeps score. Optionally shares your accomplishments via email, instant messaging, or social media.

Multiple gameplay modes:

- * 1 Player, Front 9 (holes 1-9)
- * 1 Player, Back 9 (holes 10-18)
- * 1 Player, Full Course (holes 1-18)
- * Free Play, practice whatever hole you wish
- * 2 - 4 Players online

Challenging for all ages. Enjoy by yourself or go head-to-head online against invited opponent(s). Pro Golf Challenge is multiplayer and multi-platform, supporting most popular smartphones, tablets, and computers.

The game was produced by Ed Magnin, programmed and technical art by Willie Johnson, Jr, and level design by Austin Farrar. Matt Campana created the music and realistic audio effects. According to Ed Magnin, "We wanted to create a game where you could play a round golf anytime anywhere using your finger as your club."

Device Requirements (iOS):

- * Compatible with iPhone, iPad, and iPod touch
- * Requires iOS 7.0 or later
- * Universal App - supports iPhone, iPod touch, and iPad, including standard, Retina, and iPhone X displays
- * 143.6 MB
- * Rated 4+
