Come on a journey to find and meet the bunny. Read the story and play the games and activities to find the clues. Learn valuable lessons about bunnies, animal care, ecology and Easter traditions along the way.

Queensland, Australia - Life Learning Apps today is pleased to announce the release and immediate availability of Where's the Bunny? 6, their new updated Education App for iPhone, iPad, iPod touch devices and Android and Amazon Fire devices.

"Where's the bunny?" allows children to play a number of other Easter-themed games and activities for free, including:

1. Story: Children develop reading skills and enjoy beautiful graphics as they flip through the pages of this e-book and go along with James and Joy on an Easter egg hunt in Russia.
2. Tips: Learn all about Easter and how to care for bunnies.
3. Quiz: Play the fun quiz to learn more about Easter customs and traditions and especially bunnies.
4. Dress up: Choose different scenes from the story as you dress up the boy and girl in Russian costumes.
5. Treat Maker: Decorate Easter eggs in Easter Egg Maker.
6. Game: Many of the Easter baskets have become lost in the forest and need to be unlocked and gathered for delivery. Fortunately, a hungry little duckling has volunteered to go out and find them. But can he get past the falling Easter eggs and face off against the woodland creatures guarding the baskets in Faberge egg carriages? With your child's help, he can in Bunny Treasure.

With many surprises along the way, Where's the bunny keeps children educated and engaged. As they progress, they'll make friends and earn points by finding the bunny. As they play, children can also unlock achievements and have an opportunity to continue the fun.

Easy to play, educational and full of fun, Where's the bunny? is an educational App that will get children excited and educated for Easter, but that is sure to be a favorite app to use year round. Download it today and get ready to find the bunny!
