

DRmare Officially Released Spotify Converter to Download Song as MP3

Published on 04/26/18

DRmare Studio today officially launches DRmare Spotify Music Converter for Mac, its new streaming music downloader. With DRmare Spotify Music Converter, Spotify users can download songs, playlists and albums from Spotify while converting the DRM-protected OGG tracks to MP3, AAC, etc. for offline playback on any device. Easily extract any Spotify music track and playlist to common MP3, WAV, FLAC, AAC, M4A, and M4B with original ID3 tags and quality preserved.

Shenzhen, Guangdong - Being focused on development of DRM removal tools for many years, DRmare, a top-notch and professional DRM removal software provider, now officially announced the release of DRmare Spotify Music Converter, its new streaming music downloader. DRmare Spotify Music Converter has the ability of downloading all types of Spotify tracks, playlists and albums for offline listening on all popular devices and MP3 players.

With the help of this smart Spotify music downloading tool, any Spotify user, including those using free and premium plans, are able to easily extract any Spotify music track and playlist to common MP3, WAV, FLAC, AAC, M4A, and M4B with original ID3 tags and quality preserved. That's to say, even if you haven't subscribed to Spotify premium account, you can save the ads-free songs offline by using DRmare Spotify Converter. Thanks to this excellent Spotify music converter, you can freely enjoy your favorite Spotify songs on Apple iPod, Zune, Sony Walkman, Samsung, Creatvie Zen, PSP, iRiver, car stereo and more without worrying about the DRM.

"With 70 million paid subscribers, there is no doubt that Spotify is the undisputed king in the field of streaming music service. It's free for new users to enjoy Spotify music with Internet connection. But 'Available Offline' mode is not available for free Spotify accounts, unless you have updated to a premium subscription. So here, we developed this professional Spotify music convert and downloader for members without subscribing Spotify premium and other paid Spotify users to get Spotify premium for free forever," said Dave, the product manager of Spotify Music Converter.

Main Features and Benefits of DRmare Music Converter for Spotify:

- * Support downloading all types of Spotify tracks, like songs, playlists, albums, etc.
- * Bypass DRM protection and Play Spotify music on any popular device offline
