Sidify Christmas Special Deals:

Sidify Music Converter for Spotify is the best Spotify music converter which has gained millions of happy users all around the world. It is specially designed to convert Spotify music, playlist or podcast to DRM-free audio formats including MP3, AAC, WAV and FLAC at 5X faster speed. For better organizing the music library, all the ID3 tags and metadata including title, artwork, artist, album, track number and more will be preserved after conversion. Then, there is no worry about the playback on multiple music players and portable devices, or using on all kinds of DJ software or music creation studios.

Available for Windows and Mac Version: Was \$39.95, Now \$32.95

Sidify Apple Music Converter is also specially designed for 100% losslessly removing DRM from Apple Music and then converting those downloaded songs to MP3, M4A, FLAC or WAV for offline playback on any MP3 player or other multiple devices. It also supports converting all your music which is playable in iTunes, such as converting M4P Music, iTunes M4A, M4B & Audible AA, AAX audiobooks to MP3/M4A/FLAC/WAV. All the ID3 Tags, including Artwork and Metadata (title, artist, album, year, track number and genre), will be smoothly preserved in output files after conversion.

Available for Windows and Mac Version: Was \$39.95, Now \$32.95

M4VGear DRM Media Converter is capable of removing DRM from iTunes purchased or rental movies, TV Shows, and Music Videos at 20X faster speed and converting them to unprotected popular video and audio formats like MP4, MOV and MP3, and etc. It also supports outputting iTunes videos to iOS devices, or Android phones or tablets. After conversion, 5.1 audio, all subtitles and audio tracks will be retained.

Available for Windows and Mac Version: Was \$49.95, Now \$37.95
