Farmers Branch, Texas - Magnin & Associates today introduces Magnin Casino Challenge 1.0, their new game for iOS, Android, Apple TV, Windows PC and Xbox. Enjoy the thrill of simulated casino gambling on your iPhone or iPad. (No money exchanges hands, nor are there any in-app purchases.) Choose between blackjack, roulette, Big-6 Money Wheel, video poker, and a variety of slot machines.

Blackjack allows you to choose between:

- * Single player (you and the dealer)
- * Two AI players plus you to simulate a more typical casino table experience, and
- * Multiplayer (also multi-platform) where you can invite up to four friends to join you online

Roulette allows a complete set of bet options, including:

- * Single number bets
- * Placing chips on the lines between numbers, to make 2, 3, 4, 5, and 6 number bets
- * 1st and 2nd half
- * 1st, 2nd, and 3rd twelve
- * Entire row, and
- * Odd, even, red and black

Big-6 Money Wheel - bet on which bill the flapper will land on after a hardy spin. In the three table games, the dealer announces point totals, winning hands, and reminds you when it's your turn.

* Video poker - bet 1 - 5 coins. Draw 5 cards, discard as many as you want, and draw replacements. Pair of jacks or better wins based on payout table.

* Slot Machines - several models, allow bets of 1- 3 coins, with convenient payout chart above.

* Cashier - visit the cashier if you run out of funds (no charge) or to Share how you're doing.

Enjoy by yourself or invite up to 4 friends to join you in a friendly game at your own blackjack table..Game is multiplayer and multi-platform, supporting most popular smartphones, tablets, and computers. Optionally shares your accomplishments with Facebook, Twitter, email, or instant messaging. Universal App - supports iPhone, iPod touch, and iPad, including standard, Retina, and iPhone X displays.

The game was produced by Ed Magnin, programmed by Willie Johnson, Jr, 3d models by Ryan Thomas, playtested by Trevor Mouton, Patrick Hicks, and four game dev interns from Dallas ISD, Conrad H-TECH at Richland College - David Hayes, Amber Roberson, Carlos Davila, and Gabriela Hernandez-Gasca. Rich Douglas created the music and audio effects. According to Ed Magnin, who created Caesars Palace on the original Game Boy and a Vegas Casino game for the Nintendo DS, "This was our chance to bring the casino experience to another generation
