It's a classic jump game where you have to collect coins, avoid dangers, and eventually save your girl! If you have a strong urge to go on an exciting adventure across the Wild West, try out Carlito. Explore his magical world and watch out for the bombs. Don't forget to get every item you need. Unlock levels, discover new challenges and never give up!

There are so many adventure and platformer games out there. You might be familiar with all the dungeon hunter, magic kingdom, or dragon quest type of games. These games are great, but sometimes you need something simple in a different setting. That's why we create Carlito.
