Mumbai, India - Spiel Studios Pvt. Ltd. is pleased to announce the release of Man Vs. Missiles: Combat, their latest addictive and challenging game for iOS and Android devices. In this casual, fun, simple yet challenging game, players will test their piloting skills by flying their plane for as long as they can, while avoiding and destroying incoming enemy jets which are continuously trying to bring them down.

To counter these enemy jets, the players are also equipped with an on-board aircraft gun which they can use to shoot the jets down. The players also have a health bar which reduces on every damage it sustains from the bullets of these enemy jets.

Pickup power-ups like shield & boost to protect you from the jets and go faster respectively. Also deploy flares to destroy these jets when they get too hot to handle. Start from Level 1 and climb up the ladder as you complete each level with unique objectives. With each level you pass, you get new planes and upgrades which get unlocked in the shop. Spend the coins that you collect during the game to buy these items. Also invite your friends and post your high score on Game Center and Play Services.

Get the game now and start playing for Free! Man Vs. Missiles: Combat is the Second chapter of the popular series - Man Vs. Missiles which was released in late 2017 and has over 5 Million downloads across iOS/Android with an average of 4.3 stars. MvM: Combat is a continuation to the original game with the core idea remaining the same, but with new gameplay and controls.
