

## **Boston SuperMeetUp! Celebrates the Return of SuperMeets this November**

Published on 09/30/19

Future Media Conferences and SuperMeet, LLC proudly announce the return of the SuperMeets with the Boston SuperMeetUp! this November. This Event launches the next generation of SuperMeet community events and celebrates New England's media content creation communities and leading tech companies that provide tools content creators use every day. Co-located with the Keyframes Conference, it takes place on Friday, November 15, 2019 in the Empire Ballroom at Courtyard Downtown Hotel in Boston, MA.

New York, NY / Manchester, NH - Future Media Conferences and SuperMeet, LLC proudly announce the return of the SuperMeets with the Boston SuperMeetUp! this November. This event launches the next generation of SuperMeet community events and celebrates New England's media content creation communities and leading tech companies that provide the tools content creators use every day. The SuperMeetUp! takes place on Friday, November 15, 2019 in the Empire Ballroom at the Courtyard Downtown Hotel in Boston, MA. It is co-located with the Keyframes Conference.

The SuperMeetUp! brings together a wide range of creatives and professionals, from Adobe, Avid, DaVinci Resolve and Final Cut Pro X editors to video gurus, digital and VR filmmakers and content creators. Take this opportunity to not only learn about the latest technology trends, but to network and share industry news and opportunities in a social setting that is both educational, exciting and fun!

The focus is on relationships and community - vital to fostering engaging digital storytelling and media content creation. Attendees get the chance to mingle with their peers and interact with and get questions answered from leading tech companies on creative tools they use in their daily workflows.

SuperMeetUp! attendees are automatically in the running to win awesome prizes from our sponsors! Past prizes at SuperMeet events have included prizes from Blackmagic Design, CoreMelt, iZotope, LumaForge, Frame.io, Intelligent Assistance, Atomos, Adobe, Avid, BorisFX, HP, iOgrapher, Pond5, Other World Computing, RE:Vision Effects, Red Giant, Digital Anarchy and more! You can purchase additional raffle tickets at the event to increase your chances of winning.

"Future Media Conferences is pleased to have teamed up with the SuperMeet to bring its expertise and followers to this important industry series of events. We look forward to provide fun, enriching content and networking opportunities for the creative professional," says Ben Kozuch, President, Co-founder, Future Media Conferences.

"Moving forward with Future Media Conferences allows a thrilling, fresh approach to continue SuperMeets with an eye on the future," says Daniel Berube, Manager, Executive Producer, SuperMeets, LLC. "I'm excited to bring passion and dedication to evolve and grow SuperMeets to best serve our community on both sides of the aisle, creating value for the audience we foster and the businesses and organizations we engage with in Boston and beyond."

The SuperMeet will be back with a strong presence at the NAB Show 2020 in Las Vegas on Tuesday evening, April 21, 2020 and is the ultimate user-organized event for creatives to foster community, interaction, fresh ideas, decisive collaboration, and empowerment.

Follow the SuperMeetUp! closely as we build the program and announce sponsors and prizes for the event! The early bird fee to attend the Boston SuperMeetUp! is \$10 or \$7 for student and faculty. Online only registration fee includes two complimentary raffle

SuperMeets provide the media content creation community an opportunity to not only learn about latest technology trends, but to network and share industry news and opportunities in a social setting that is both educational, exciting and fun! The SuperMeet agenda usually includes user driven demos of new creative tools and workflows, digital video tips and tricks, and filmmaker show and tells, including a SuperMeet Digital Showcase with vendors and small developers providing workflow solutions for digital filmmakers and content creators. SuperMeets are the ultimate user-organized event for creatives to foster community, interaction, fresh ideas, decisive collaboration, and empowerment.
