

## **Nisus Software, Inc. Releases Nisus Writer Express 4**

Published on 10/02/19

California based Nisus Software, Inc. releases Nisus Writer Express 4, a flexible, affordable writing app for macOS. It can go from minimalist writing tool to full word processor in an instant. New features in version 4 include a significantly updated full screen view, focus mode for the active line and paragraph, typewriter scrolling, a redesigned UI and palette system, cloud sync for almost all settings, icons updated for Retina displays, and hundreds of features, fixes, and enhancements.

Solana Beach, California - Nisus Software, Inc. has announced the release of Nisus Writer Express 4, a significant upgrade to its flexible, affordable writing app for the Mac. New features in Nisus Writer Express 4 include a significantly updated full screen view, focus mode for the active line and paragraph, typewriter scrolling, a redesigned UI and palette system, cloud sync for almost all settings, icons updated for Retina displays, and hundreds of features, fixes, and enhancements.

"Nisus Writer Express represents the best of Nisus Software in a small, affordable package" said Nisus Software CEO Jerzy Lewak. "The new features will help enable our users' creativity in new and inspired ways. Even more features are available for those who need them, in our professional version, Nisus Writer Pro."

The new features add to an already rich feature set that includes an intuitive interface, multilingual text support, powerful find and replace, live word count, easy to use style system, numerous file formats (PDF, Word formats .doc and .docx), and a native file format (RTF) that almost any word processor can read.

### **System Requirements**

Nisus Writer Express 4 requires macOS 10.11 and is Catalina compatible, pending the final release of Apple's latest operating system.

### **Pricing and Availability**

Nisus Writer Express 4 is available now at the Nisus store and the Mac App Store for only \$26.00 (USD). An upgrade version is available from our store for \$20.00. An academic version is also available.
