

## **ChronoSync Maintenance Release for macOS 10.15, Catalina!**

Published on 11/19/19

Econ Technologies releases ChronoSync 4.9.6 for macOS. Now available free to registered users, version 4.9.6 improves macOS 10.15 compatibility and reliability. New in ChronoSync 4.9.6 is the ability to convert existing HFS Formatted backup volumes to the new APFS Volume Group required for Catalina Bootable Backups. Alongside the release of ChronoSync, the ChronoAgent 1.9.4 maintenance update is available for immediate download by registered users.

Casselberry, Florida - ChronoSync 4.9.6, now available free to registered users, improves macOS 10.15 (Catalina) compatibility and reliability. New in ChronoSync 4.9.6 is the ability to convert existing HFS+ Formatted backup volumes to the new APFS Volume Group required for Catalina Bootable Backups. Alongside the release of ChronoSync, the ChronoAgent 1.9.4 maintenance update is available for immediate download by registered users.

Duilio Proni, President of Econ Technologies, Inc. said “As our customers gain experience with macOS Catalina, they are reporting minor problems and explaining improvements we can make.” He went on to say, “We have a great customer base and they have been invaluable during the ChronoSync for Catalina rollout!”

ChronoSync and ChronoAgent users can install the update immediately for free! If you don't already own ChronoSync or ChronoAgent, download the Apps today and start the 15-day free trial to learn how ChronoSync with ChronoAgent is your best long-term backup investment for Mac.

ChronoSync, the multipurpose Mac App for local and cloud backup, bootable backup and folder synchronizing is designed to work on macOS version 10.11 and newer. Full working trial licenses are available or purchase ChronoSync for \$49.99. ChronoAgent 1.9.3, the indispensable companion app to ChronoSync, allows any Mac to accept direct, secure, high performance connections from any ChronoSync Mac or any InterConneX iOS device to access or transfer data for only \$14.99 (USD). Full working trial licenses are available for either App. InterConneX is the file storage, file management, and file sharing iOS app for the iPhone and iPad.
