

## **CS Odessa Releases New Cisco Networking Solution for ConceptDraw DIAGRAM**

Published on 01/22/20

CS Odessa today announces its professional new Cisco Networking solution, a new addition to the ConceptDraw Solutions, a collection of samples, and libraries of vector stencils, icons, and clipart that help professionally illustrate network documentation. The new Cisco Networking solution provides an excellent set of tools for IT and network professionals who use ConceptDraw DIAGRAM. Easily plan and adapt configuration and architecture of computer networks equipped with Cisco devices.

Odessa, Ukraine - CS Odessa is pleased to announce the professional new Cisco Networking solution, available for download in the ConceptDraw Store. The new Cisco Networking solution provides an excellent set of tools for IT and network professionals who use ConceptDraw DIAGRAM.

The network infrastructure is a critical component of any business. To help organizations better plan and adapt configuration and architecture of computer networks equipped with Cisco devices, CS Odessa has released a new library collection of Cisco routers, switches, and other network equipment to help ConceptDraw users with the network design and implementation process. The Cisco Networking Solution is a new addition to the ConceptDraw Solutions, a collection of samples, and libraries of vector stencils, icons, and clipart that help professionally illustrate network documentation.

### Operating Systems Supported

\* macOS 10.13, 10.14 and 10.15

\* Windows 7 SP1, 8.1, and 10 (64-bit certified)

The Cisco Networking Solution is available as a free download through ConceptDraw Store for current users of ConceptDraw DIAGRAM v13. ConceptDraw DIAGRAM v13, supported by the ever-growing collection of business solutions, is compatible with macOS and Windows. It features improved compatibility with MS Visio 2003-2019. It retails for \$199 per end-user license. ConceptDraw DIAGRAM v13 is also an integral part of ConceptDraw OFFICE v6, which retails for \$499 (USD).
