Odessa, Ukraine - CS Odessa is pleased to announce the Economy Infographics Solution for ConceptDraw DIAGRAM, available immediately in ConceptDraw Solutions. The new business solution for ConceptDraw DIAGRAM allows anyone to build Infographics from data that conveys a complete story to one's audience. The new solution provides all of the graphical user elements needed to transform economic and financial information into a compelling visual message.

The Economy Infographics Solution contains 6 vector libraries composed of 316 scalable icons. One can use this solution to quickly create eye catching and impressive infographics which can be used to effectively communicate economic and financial messages at a glance. The Economy Infographics Solution is available at \$25US to users of ConceptDraw DIAGRAM v13 and ConceptDraw OFFICE v6, via STORE.

ConceptDraw DIAGRAM is well-known for its ability to exchange documents with Microsoft Visio. It can open and save documents that can be used by Visio (VSD, VDX and VSDX documents) users. It retails for \$199US per end user license.

ConceptDraw OFFICE v6 is an integrated set of visualization products and document exchange technologies. It consists of a diagramming platform, a mind mapping tool, and a project management tool. These tools are essential to generate business diagrams, project plans, mind maps, dashboards, presentations, schematics, and any other business visualizations.

The powerful suite of three products found in ConceptDraw OFFICE v6 is designed for knowledge workers, project managers, managers, and academics and retails for \$499 (USD) per end user license. The combination of diagramming, mind mapping, and project management tools along with no charge dynamic support and ongoing development make ConceptDraw OFFICE v6 a good choice to support the activities that move businesses ahead.
