

## **BreakThru Radio introduces Art Uncovered to the iPhone and iTouch**

Published on 11/17/09

BreakThru Radio today announced the premier episode of Art Uncovered with DJ Piera. Art Uncovered is a brand new hour long show on BreakThru Radio. The show will feature interviews with 1-3 artists per episode as well as photos and or video of the artist's work embedded on the shows' site page. Art Uncovered is a groundbreaking way for visual artists to garner publicity and showcase their work through radio.

New York, NY - BreakThru Radio (BTR) today announced the premier episode of Art Uncovered with DJ Piera. Art Uncovered is a brand new hour long show on BreakThru Radio. The show will feature interviews with 1-3 artists per episode as well as photos and or video of the artist's work embedded on the shows' site page. Art Uncovered is a groundbreaking way for visual artists to garner publicity and showcase their work through radio.

On the show Tuesday DJ Piera, will be interviewing comix illustrator Josh Neufeld. He is the author and illustrator of the NYT best selling graphic novel, A.D.: New Orleans After the Deluge. Josh is also a founding member of of the online comix collective, ACT-I-VATE and co owner of the motion comics studio, Dojo Graph...ics. Check out the playlist for pictures of Josh's amazing work. Be sure to check every Tuesday for a new episode of Art Uncovered with DJ Piera.

BreakThru Radio is "Radio Rediscovered" in a world where FM is out of frequency. In today's overly saturated music market, it is often difficult for listeners to find what they are looking for. BreakThru Radio has the solution. Listeners are given access to independent music from an expansive and diverse pool of genres, in addition to an innovative comedy platform. Offering the best in music from around the world, BreakThru Radio brings its listeners tracks recorded exclusively for the BTR audience from our live studio.
