

Portable Arts releases iCarol 2.0 - Send Virtual Carols To Your Friends

Published on 11/19/09

Portable Arts today released iCarol 2.0 for iPhone and iPod Touch. Just in time for the holidays, iCarol lets users send virtual Christmas Carols to other iCarol and non-iCarol users. Users can select friends from their contact lists or type in emails to send a virtual Carol. Friends with iCarol will be able to view lyrics, hear the music, and see either a slideshow of holiday images or a virtual yule log. Non-iCarol owners can still get Carols in their eMails.

Livingston, New Jersey - Portable Arts popular iCarol application now lets users send virtual Christmas carols to other iCarol users or to friends through eMail. Each iCarol contains high quality music, and provides lyrics (in case you want to sing along). Holiday images flash in the background, and users can also set up their virtual yule log while the music plays.

In addition to sending virtual carols, users can turn off the music and use iCarol as a source for lyrics, or turn off the lyrics and simply use iCarol to play the music during the holidays. Users have a choice of over 20 high quality recordings including; Jingle Bells, We Wish You A Merry Christmas, Deck The Halls, Angels We Have Heard On High, Dance Of The Sugar Plum Fairies, Silent Night, The Wassail Song, Joy To The World, Hark! The Herald Angels Sing, O Christmas Tree, The 12 Days Of Christmas, and many more.
