Liverpool, UK - ScreenCastsOnline is participating in the Black Friday frenzy by offering a 50% discount to all new ScreenCastsOnline Extra! members joining today. Acknowledged as one of the premier sources for mac based video tutorials on the Internet since launching in 2005, ScreenCastsOnline has established itself as a favourite with many thousands of delighted mac users throughout the world.

Each weekly tutorial is created as a screencast - a high resolution video captures of the mac desktop, narrated by the UKs Don McAllister, with his own unique laid back delivery and easy to follow approach to teaching mac software. Delivered via iTunes or downloaded from the members site, each tutorial is yours to keep and watch as many times as you like.

Suitable for all levels of Mac users, the tutorials cover all aspects of using a Mac - from using Snow Leopard, to Apples own iLife and iWork applications, to best of class third party mac software applications, utilities and web services.
