Bellevue, Washington - Eltima Software, a global software development company, today announces the launch of its Thanksgiving Day promo. We'd like to thank all our Clients for your support and interest in our software. Starting from today all users can purchase Mac OS X software by Eltima with 20% discount.

The discounted software:

- * Flash Decompiler for Mac: converts Adobe Flash SWF files back into FLA format and SWF files created in Flex back to Flex sources, which can be easily edited in native Flash or Flex environment.
- * Flash Optimizer for Mac. With Flash Optimizer it is possible to compress SWF files by up to 60-70% as it offers total control over each and every optimization option.
- * SyncMate Expert. SyncMate enables all users to sync Mac and several devices (Windows Mobile or Nokia phones, other Mac or PC computers, Sony PSP, Google account, USB flash drive and online storage).
- * Recover PDF Password for Mac. This utility allows recovering lost or forgotten PDF passwords.
- * SWF & FLV Player PRO: handy Flash player for Mac OS X.

Pricing and Availability:

In order to get your 20% discount, just use this coupon code - TNX-GIVE - at Purchase page of the software you're about to get. Please note, this offer is valid through November 30, 2009. So, have a perfect Thanksgiving day and delicious turkey!
