"Atlantis: Magic Smileys" is an amazing casual game with unique gameplay based on the multitouch technology. It provides revolutionary rich multitouch features such as inertia and momentum. This is a fantastic casual game offering splendid gaming experience for both casual and hardcore gamers.

Volgograd, Russian Federation - iD EAST company has released Atlantis: Magic Smileys 1.0, a game for iPhone and iPod Touch. "Atlantis: Magic Smileys" is an amazing casual game with unique gameplay based on the multitouch technology. It provides revolutionary rich multitouch features such as inertia and momentum. This is a fantastic casual game offering splendid gaming experience for both casual and hardcore gamers.

The storyline is about adventures of the Magic Smileys on islands of ancient Atlantis. They are very live and emotional! Smileys react to your actions and may become happy :-) sad :- ( angry >:-| or amazed :-o)

Smileys move in a circle around each island of ancient Atlantis and provide warm welcome to their newcoming siblings. Rotate smileys' circle and place the newcomers to their neighbors of the same color so they could generate the magic energy protecting Atlantis. The gameplay is very simple, but provides many alternatives in choosing strategy. If you are good at playing, you can get many fun bonuses that would help you to win the game! Have an amazing gaming experience and help smileys to save the islands of Atlantis!

### Key Features:

- \* Innovative gameplay based on rotation of smileys' circle
