Chennai, India - Dot Com Infoway (DCI), one of the top mobile apps developers in India, has announced the launch of its most unique iPhone application, the OJAS Life Energy. OJAS Life Energy is a digital content-based iPhone app containing a wonderful collection of mantras and chant tracks, released by the famous OJAS Foundation. The divine mantras would free the human mind from stress and helps them to live a more better peaceful life.

"DCI is expecting a thrilling-popularity for OJAS, over this week, since we know that unique iphone apps like OJAS, pulls both young and old users" said C.R. Venkatesh, CEO of Dot Com Infoway. "DCI is currently, the only app developer, who are moving the iPhone and iPod users towards an exceptional iphone experience that would set new trends in the market and DCI has plans to continue this wonderful momentum" added, Mr. Vijayakumar Radhakrishnan, Chief Technical officer of Dot Com Infoway.

Ojas Life Energy is more than a simple life-style iphone application that helps the Human life to relieve from the suffering due to stress. To make living better, OJAS Foundation came up with a fantastic collection of mantras and chants. Listening to those miraculous chants will definitely set a human mind free from everything.

In this app, the entire mantras collection consist of 61 tracks under six different situations of human life such as mantras to eliminate Stress Anxiety and Depression, mantras to maintain a Healthy Heart, Mantras for an expectant mother, mantras to improve memory power, mantras to reduce blood pressure and mantras to improve peace and happiness.

Not only the mantras reduces your stress, but the app itself has a stress-free operating interface. So, to listen a mantra, just select & click the play button and enjoy the divinity.
