

Gallen Technologies releases Sphere Raider for iPhone and iPod touch

Published on 12/11/09

Game developer Gallen Technologies, LLC today announced Sphere Raider, its long awaited game for iPhone/iPod touch. Sphere Raider brings exhilarating game play for all ages, anytime, anyplace, anywhere. It feature ten skill levels with new and exciting graphics at each level. The graphics are colorful and crisp, and reflect the time and effort that went into production of the game. Sphere Raider is designed to challenge the skill of every player from the novice to the most sophisticated gamers.

West Orange, New Jersey - SPHERE RAIDER (TM) brings exhilarating game play for all ages. SPHERE RAIDER (TM) (Patent Pending) has extraordinary graphic designs and brilliant gaming applications. As part of its commitment to bring a quality product to the market, Gallen Technologies spent seven months in the development of this game. It is designed to be played by all ages, anytime, anyplace, anywhere. The game has ten different skill levels with new and exciting graphics at each level. The graphics are colorful and crisp, and reflect the time and effort that went into production of the game software.

SPHERE RAIDER (TM) is designed to challenge the skill of every player from the novice to the most sophisticated gamers. The game is a welcome diversion from everyday life stress.

SPHERE RAIDER'S beauty is that the game is at your finger tips on your iPhone. It travels where you go and is available on demand. So much of urban life is spent waiting between meetings, on trains, in taxis, on planes and just waiting for the next event to happen. SPHERE RAIDER (TM) is designed to fill those empty moments when there is nothing to do, no one to talk to and you find yourself alone. It's like having a little pal on your phone. It does not take up space and once you own it, it's there for you. Game players praise it for its playability, extraordinary graphics, and brilliant colors.
