

iPod Classic Now an eReader with New Adventures of Tom Sawyer Notescast

Published on 12/18/09

Portland based TimeStream Software today releases the new Adventures of Tom Sawyer Notescast, turning iPod Classics and nanos into eReaders. Now, for the first time ever, iPod users can read this classic American tale on their iPod legacy device wherever they go and whenever they want. True love, buried treasure, a haunted house, a mysterious cave and even murder await Tom and his friends in this true American classic.

Portland, OR - TimeStream Software today announces the release of the new "Adventures of Tom Sawyer" Notescast for the iPod Classic, iPod nano and iPod Video. Now, using their iPod as an eReader, iPod owners can immerse themselves in the tale of young Tom Sawyer, a mischievous carefree boy who sets off in search of adventure in the old south and finds more than his fair share. True love, buried treasure, a haunted house, a mysterious cave and even murder await Tom and his friends in this true American classic.

"We're excited to add this classic American tale to our growing collection of digital books available for the iPod legacy devices on our Notescasts web site." said Mike Westby of TimeStream Software. "It's such a great story, and we're pleased to now make it available to an even wider audience."
