

## **Zevrix Reduces Price on PDF Checkpoint - A Preflight and Conversion Tool**

Published on 12/18/09

Zevrix Solutions today announces a price reduction on PDF Checkpoint, an automated PDF preflighting and conversion solution which combines both power and simplicity. Remarkably fast, PDF Checkpoint preflights, exports as images, splits and reduces size of multiple PDF files, and allows to route files according to preflight results. The price decrease is intended to make the program more affordable to users involved in PDF production with less demanding requirements.

Toronto (ON), Canada - Zevrix Solutions today announces a \$50 price reduction on PDF Checkpoint, an automated PDF preflighting and conversion solution which combines both power and simplicity. Remarkably fast, PDF Checkpoint preflights, exports as images, splits and reduces size of multiple PDF files, and allows to route files according to preflight results. The price decrease is intended to make the program more affordable to the users of PDF workflows with less demanding production requirements. The program price has been decreased to \$69.95 (down from \$119.95).

PDF Checkpoint lets users process batches of PDF files with a simple drag-and-drop, and offers the following capabilities:

- \* Quickly preflight PDF files using powerful preflight profiles
- \* Route PDF to specified folders according to preflight results
- \* Export PDF as images in popular formats at specified resolution, scale and color mode
- \* Split files into single page PDF documents
- \* Downsample and compress images in PDF documents to reduce file size
- \* Save text preflight reports

PDF Checkpoint is a new addition to the Zevrix family of quality control products, which already includes InPreflight for Adobe InDesign, and Graphic Inspector for images and vector graphic files.

Pricing and availability:

PDF Checkpoint 1.1.5 can be purchased from the Zevrix Solutions web site for \$69.95 USD, as well as from authorized resellers. PDF Checkpoint is currently bundled with free Graphic Inspector (a \$39.95 value). Trial is also available for download. PDF Checkpoint is available for Mac OS X 10.4.2-10.6 as a Universal Binary.
