

Macvide announces VideoFlash Converter 3.1 for Mac OS X

Published on 12/22/09

Macvide today announced VideoFlash Converter 3.1, an update to their video to Flash conversion utility for Mac OS X. VideoFlash Converter allows conversion of QuickTime compatible video files to Adobe Flash. All of the most popular formats are supported, and helps bridge the gap between many video standards. VideoFlash Converter offers an easy-to-use interface that guides the user through the conversion process.

Saint-Petersburg, Russia - Macvide today announced VideoFlash Converter 3.1, their video to Flash conversion utility for Mac OS X. Developed specifically for Mac users, VideoFlash Converter allows conversion of QuickTime compatible video to Adobe (Macromedia) Flash SWF and FLV files. The most popular formats are supported, including AVI, WMV, MOV, MPG, ASF, DivX and more.

VideoFlash Converter offers an easy-to-use interface that guides the user through the conversion process. The application automatically provides ideal default settings, as well as offers the flexibility to crop video, set duration, adjust quality, and control many other audio/video preferences.

New in version 3.1:

- * New Video engine
- * Supports for most of Video files
- * Snow Leopard support
- * Misc fixes

Feature highlights include:

- * Convert all popular video formats, including AVI, WMV, MOV, MPG, ASF, and DivX
- * Choose between FLV or SWF output formats
- * Modify resolution, frame rate, video and audio bit rates, width, and height for particular needs
- * Crop videos to remove black sides
- * Preview your video from the first to final frame using Rangebar
- * Compatible with PowerPC G4 or G5 and Intel Core 2 processors
- * Easy to use

Minimum Requirements:

- * Mac OS X Version 10.4 Tiger, 10.5 Leopard, 10.6 Snow Leopard
- * Universal Binary for PowerPC and Intel
- * 15.6 MB Hard Drive space

Pricing and Availability:

VideoFlash Converter is available for only \$39.95 (USD) for a Single License, and may be downloaded directly from the Macvide website.
