With fifty minutes of playtime, this app is gaining popularity right out of the iTunes gate. There are one hundred gorgeous models in the Top 100 Video app, all of whom love to be filmed in action.

Waretown, NJ - Announcing that JENS Ltd., the developers of Top 100 Video, has released the hottest app available for iPhone and iPod Touch users. The app consists of 100 sizzling hot videos of glamorous lingerie, swimwear and bikini models, all strutting their stuff. With fifty minutes of playtime, this app is gaining popularity right out of the iTunes gate.

There are one hundred gorgeous models in the Top 100 Video app, all of whom love to be filmed in action. Understandably, this combination of glamour and uninhibited sex appeal has made a big impression on its target audience. The app has been selling like crazy since its release.

Part of the reason for Top 100 Video's instant success probably stems from experience. Top 100 Video is not this developer's first time around the sexy app park; they have a list of previous successes in this genre. Their website link offers more information on their titles for those who are interested.

The benefit of all this past experience for Top 100 Video users is quality, along with a package of fifty minutes of film that impresses. All of the videos are automatically downloaded into the app, so a user never has to reload to view them as often as they like, even when out of range of an internet connection.

Top 100 Video features:

- * 100 fabulous lingerie and swimsuit models
- * 50 minutes of video
- * 100 different videos in all
- * Always ready; no waiting for videos to download
- * Easy to use controls

The Top 100 Video app also offers really easy to use controls that enhance the viewing experience. Selecting and playing a video is just a matter of a quick tap to the screen to start the show. For anyone interested in seeing videos of beautiful, scantily clad women, Top 100 Video is the must-have application of the year. There is no hotter app available on iTunes at this time.
