

## **Yazsoft announces new 2010 Affiliate Program offering 20%**

Published on 01/04/10

Yazsoft today is happy to announce a new affiliate program for 2010. If you like any of our software and would like to earn a healthy side income selling them, you can. The formula is very simple; the more you sell, the more you make. This program is open to anyone that is interested. Affiliates receives 20% of all revenue generated. The affiliate program includes all the applications and software bundles found on our secure Kagi store.

Chicago, Illinois - After much thought and consideration, Yazsoft today is happy to announce a new affiliate program for 2010. If you like any of our software and would like to earn a healthy side income selling them, you can. The formula is very simple; the more you sell, the more you make.

This program is open to anyone that is interested.

Affiliates receives 20% of all revenue generated.

The affiliate program includes all the applications and software bundles found on our secure Kagi store.

- \* Speed Download
- \* Playback
- \* ShareTool
- \* All the bundles

Getting started is very easy:

1) Visit Kagi and sign up as a "new supplier." Signing up with Kagi is completely free and carries no monthly minimums. Kagi does not require affiliates to set up an online store.

2) After signing up with Kagi, simply email us your @kagi name.

Once we receive this info, we'll get you started promptly.

Why are we doing this?

Over the past years, many people asked if they could sell our software. At the time, we were not prepared for such accommodations. Fortunately, after a lot of hard work and organizing we are happy to provide this for anyone interested. We hope to meet and establish healthy relationships with many more great people.
