

## Cute Lola Panda Teaches the World Flags

Published on 01/04/10

Beijing-based game design studio Beiz Ltd today releases Lola's Flag Adventure 1.0, their first children's flag game for iPhone and iPod Touch. Lola's Flag Adventure features high-quality voice guidance, easy-to-use interface and thoroughly designed panda graphics. It includes two games; memory game for children who cannot read yet and flag trivia for older children. The game provides fun and challenge both for preschoolers and junior school children.

Beijing, China - Game design studio Beiz Ltd today releases the best children's flag game, Lola's Flag Adventure 1.0 for iPhone and iPod Touch. The game combines fancy high quality graphics with undoubted educational value. Lola's Flag Adventure is a first game of BeiZ's Lola game family. In future Lola and her friends will guide the children through the intricate world of Math, Alphabet and other subjects.

Lola's Flag Adventure includes two games - memory game for children who cannot read yet and flag trivia for older children. Thus game provides fun and challenge both for preschoolers and junior school children. Other Lola games are based on the same concept featuring high-quality voice guidance, easy-to-use interface and thoroughly designed panda graphics.

"We believe in educational games that can be fun to play as well. We don't want the children to be game addicts, but provide fun and educational moments as part of the other activities in children's lives" says Head of BeiZ gaming Studio, Minna Heikinheimo.
