Day I Was Born is a simple and easy-to-use application, which will allow you to find out everything about the day you or your friends were born. Besides, you will also know what happened on this very same day tens, hundreds and even thousand years ago. The program includes database, consisting of more than 95.000 events.

Tomsk, Russian Federation - Unusual Things has announced The Day I Was Born Update 2.1 for

iPhone and iPod touch. "The Day I Was Born" is a simple and easy-to-use application, which will allow you to find out everything about the day you or your friends were born.

Besides, you will also know what happened on this very same day tens, hundreds and even thousand years ago. The program includes database, consisting of more than 95.000 events, including: 1) Holidays 2) Events 3) Deaths 4) Births

Features of the Update:

- \* Completely redesign
- \* Animated Main Menu
- \* Background music is added
- \* Now you can share information through Twitter, Facebook, E-mail
- \* Illustrated section "Help" is added
- \* Sections "Numerology", "Birthstone", "Elements" is added
- \* Now it is possible to extrace birthdates from Contacts
- \* Now it is possible to set actual date using just one button
- \* Now you can get a random date by shaking your device
- \* Database is updated by November 2009, about 100, 000 entries.
- \* Bug in calculations of Chinese Zodiac sign is fixed
- \* Improved speed, other bugx are fixed.

The program will cast your horoscope based on Chinese and Western Zodiac Circles. Thanks to these two horoscopes you will be able to know a lot of new things about people, which surround you:

- \* Strong and weak traits of a person
- \* Their attitude to friendship and independence
- \* Business qualities
- \* Peculiarities of a person's temperament
- \* Hidden sides of a character
- \* How to behave yourself, when you are on a date with such person
- \* How to correctly build relationship with such person
- \* Sexual peculiarities and erogenous zones of a person

As you can see, this small application will not only allow you to demonstrate your erudition in front of your friends, but it may also help you to begin new romantic relations with a person of your choice. With just his or her birth date, you will know practically all the details you need.

Key advantages include:

- \* Total independence from the Internet: no need to waste web-traffic downloading information. Our database can be accessed in a complete offline mode
- \* Simple and intuitive interface
- \* Pleasant, eye-soothing design and easy-to-read font
- \* Animated Main Menu
- \* Relaxing Background Music

prMac: Publish Once, Broadcast the World :: <http://prmac.com>
