

Macsoftex releases iTost 1.1 - Collection of Russian Toasts

Published on 01/08/10

Macsoftex today announces iTost 1.1, their collection of Russian toasts for iPhone and iPod touch. Since ancient times the ability to beautifully toast admired and respected people. Master toast or toaster - a key figure for any celebration. It was he, with toast, parables, and life histories leads the table and creates a cheerful mood of celebration. In order to learn how to speak beautifully toasted, not necessarily be a philologist or a professional toast-master, to be observed.

Vitebsk, Belarus - Macsoftex today announces iTost 1.1, their collection of Russian toasts for iPhone and iPod touch. Since ancient times the ability to beautifully toast admired and respected people. However, not many people have this skill. Master toast or toaster - a key figure for any celebration. It was he, with toast, parables, and life histories leads the table and creates a cheerful mood of celebration. In order to learn how to speak beautifully toasted, not necessarily be a philologist or a professional toast-master, to be observed, only for all three rules:

Rule 1. A fine spoon for dinner. This means that the toast should say in the right place at the right time.

Rule 2. A toast should be brief and concise, if guests want to get this drink. Conversely, a beautiful and lasting, if the table "philosophical" mood.

Rule 3. Knowledge of a large number of toasts.

In all this, you will help our program. Enjoy your feast!

Feature Highlights:

- * 23 categories of toasts;
- * More than 900 toasts;
- * Easily search for any word toast.
- * The possibility of adding a toast to your favorites
- * Weekly update toasts.

Coming Soon:

- * Daily update;
- * Bonus!(the best Russian jokes every day)
